USCGC Barque *Eagle* Visits Pensacola

The city of Pensacola had the tremendous good fortune to welcome the USCG Cutter Barque *Eagle* (WIX-327) to her first visit to Pensacola. *Eagle* landed on June 2nd amid fanfare from Navy League members, the USO and dozens of people who lined Deluna Plaza near the Port of Pensacola. *Eagle*'s arrival marked the kickoff to Pensacola's annual Fiesta of Five Flags festivities.

Eagle is a 295-foot Barque used as a training cutter for future officers of the United States

Coast Guard. Each summer, *Eagle* deploys with cadets from the U.S. Coast Guard Academy and candidates from Officer Candidate School for periods ranging from a week to two months. The primary mission is training, however the ship also performs a public relations role for the Coast Guard and the U.S. Frequently *Eagle* makes calls at foreign ports as a goodwill ambassador.

The ship was built as the German sail training ship *Horst Wessel* in 1936. It trained German sailors until it was decommissioned at the start of World War II. The vessel recommissioned in 1942. At the end of the war, *Horst Wessel* was taken by the U.S. as war reparations.

The Pensacola Navy League held a welcome reception at Seville Quarter for the 139 crewmembers and her Commanding Officer CAPT Michael Turdo. CAPT Turdo presented a picture of *Eagle* to event organizer, CAPT Dan McCort, USN (Ret) and Navy League President Mark Curley. CAPT LaDonn Allen, Sector Commander, Coast Guard Sector Mobile, along with CAPT Turdo invited lucky Navy Leaguers and Pensacolians for a sailing adventure on the *Eagle*. A grand reception was held aboard *Eagle* that evening. She departed on June 5th. More pictures found on page 10. Watch the video:

PRESIDENT'S MESSAGE

CMDCM Mark Curley, USN (Ret), President, Pensacola Navy League

Sending warm greetings to all Navy League members, local and affiliate sponsors, community leaders and friends of the Pensacola Council. I hope everyone had an enjoyable summer, despite the extreme heat and rain. What an exciting summer it was. With all that our council has been involved in, I know that we have been front and center, staying busy hosting and participating in many enjoyable and memorable events, supporting all branches of our military and the Merchant Marines. We were there to recognize and interact with personnel and commands at luncheons, socials, port visits, homecomings, awards quarters, change of command ceremonies and embarks both at sea and portside.

We started the month of June as Pensacola's designated host for the first ever port visit to the city by the Coast Guard Cutter *Barque Eagle*. Early on the morning of arrival, Navy League members and members of the community embarked onboard *Eagle* while she was at anchorage and rode the tall ship as she tied up pier side at Palafox Pier. Throughout the port call, the crew had a chance to explore Pensacola, enjoying much deserved liberty. The port call was a huge hit with the crew of *Eagle*. Rumor has it that this will not be *Eagle's* only port call to Pensacola. The crew raved about how welcoming the city was and how much they loved the city and its people. We all look forward to a return visit of *Eagle* sometime in the near future.

Later that month, Navy League of the United States held its National Convention in Orlando from June 8th-12th. Members of the Pensacola Council attended, including Past President Dan McCort and National Leadership officers from Pensacola. Congratulation to Dan who now represents Region South of the Navy League as the Region President. The daily agenda was filled with guest speakers and presentations on topics ranging from membership to national strategic goals, to training on how to strengthen local councils and much, much more. There was plenty of time to socialize and network with other Navy League members attending from councils around the country, sharing best practices and stories of the amazing work being done throughout the Navy League nationally.

Considered one of our most popular and cherished events by many members of our local council and community is the Military Spouse Appreciation Luncheon held at the Pensacola Yacht Club on June 29th. As has become tradition, the wonderful Sue Straughn, news anchor of WEAR TV 3, was the Mistress of Ceremony. Jenn Shashaty, wife of NAS Pensacola's Commanding Officer, CAPT Terrence Shashaty, USN, provided an inspirational message as the guest speaker. Heartfelt and much appreciated recognition was be-

stowed upon the 16 spouses selected by their military commands, to represent all spouses supporting their command's mission and families.

A new event was added to the many events the Pensacola Council already hosts. The Military Volunteer Recognition Luncheon was held at the Mustin Beach Officer's Club onboard NAS Pensacola on August 2nd. This event is notably different from the Margaret Flowers Military Recognition Event that we host annually and will host once again in February 2023. This event equally recognizes extraordinary ongoing volunteer efforts of a service member of any rank, enlisted or officer, selected by their military command. The guest speaker for the inaugural recognition luncheon recognizing volunteers from 15 commands was CAPT Sterling Gilliam, USN (Ret), Director of the National Naval Aviation Museum. He spoke about the importance of volunteering and the positive impact it has on others.

Important to the sustainment of any organization is the strength of its membership. With membership opened now to Active Duty personnel and the desire to welcome new members into the Pensacola Council of the Navy League, the importance of a strong future starts with building a strong foundation, which is our members, active in the community, together achieving our local and national goals. The importance of strong membership cannot be overstated. With that said, Pensacola's Navy League Council joined with the Marine Corps League to host our annual Membership Social, held at Seville Quarter on August 18th. The social was attended by upwards of 250 people. It was a resounding success and everyone in attendance had a great time socializing and learning the importance of what membership in the Navy League is all about.

For those of you looking to step up to the plate and become more involved in the Navy League, we are now looking for those of you who have not had the opportunity to serve on the Board Of Directors. No later than Tuesday, September 20th, please submit your name and a short bio to Pensacolanavyleague@pensacolanavyleague.org so you can be formally nominated to have your name placed on the 2023 nomination ballot. After nomination, this will qualify you for the general membership voting ballot to be elected to serve on the 2023 Board Of Directors.

We have more to do this year, just as we have been supporting all year long, such as Coast Guard Cutter Homecomings, Change of Commands, dignitary visits, embarks onboard our cutters and award ceremonies.

Events upcoming include the POW/MIA Recognition Luncheon on September 13th, the Admiral's Club, Meet the Boss Luncheon on October 25th, the Navy League Golf Tournament on October, 7th the Annual Chicken BBQ Dinner on September 29th and the Christmas Party on December 6th.

As always, I hope to see you at any of our upcoming events, consider serving on our 2023 Board of Directors and please take care.

The Pensacola Navy League held its annual Spouse Appreciation program with a luncheon at the Pensacola Yacht Club on June 29th. Military Recognition

Since the Pandemic began in 2020, the Pensacola Navy League's premier event, the Margaret Flowers Civic Award, Military Recognition Ceremony, held February each year, has been put on hold. The Pensacola Navy League saw a need to recognize those military members, both enlisted and officers, who demonstrated extraordinary community volunteerism during the pandemic.

Each awardee was nominated by their command. Fifteen individuals were nominated.

The first ever Military Volunteer Recognition Luncheon was held August 2nd, at the Mustin Beach Officer's Club aboard NAS Pensacola. Guest speaker for the event was CAPT Sterling Gilliam, USN (Ret), Director of the National Naval Aviation Museum. CAPT Gilliam spoke of the importance of volunteering and the positive impact it has on the community. CDR Evan Hipsley, USN (Ret) served as emcee. The Naval Air Technical Training Center Performing Unit, paraded the colors. Congratulations to the following commands and awardees: Navy Information Operations Command-Pensacola, Petty Officer Bronkema; Naval Aviation Technical Training Center, Petty Officer Campbell; Aviation Maintenance Squadron-1, Sergeant Colon; Naval Education and Training Security Assistance Field Activity, Petty Officer Contreras; 479th Student Squadron, 2Lt Hunt ; 479th Flying Training Group, Technical Sergeant King; Naval Aviation Technical Training Center, Petty Officer Knight; Training Air Wing -SIX, Commander Martin; Naval Education and Training Professional Development Center, Chief Petty Officer Murray; Aviation Survival Training Center, Petty Officer Romero-Vasquez; Aviation Maintenance Squadron-2, Sergeant Rynhart; Marine Aviation Training Support Group-23, Sergeant Seals; Information Warfare Training Command, Petty Officer Sechrist and the 479th Operations Support Squadron, Staff Sergeant Smith.

The Margaret Flowers Civic Award Military Recognition Award ceremony and luncheon will resume again in February 2023.

Each year, the Pensacola Navy League awards a scholarship to a deserving high school senior with the ambition of entering the service. This year we are pleased to present the Russell D. Stewart Memorial Scholarship in the amount of \$2000.00 to MIDN 4/C David A. Lamb. Please read the thank you letter written by this remarkable young man. Congratulations MIDN 4/C David A. Lamb. You will make a fine Naval Aviator.

Dear Pensacola Navy League,

It is an honor to have been chosen for the Russell D. Stewart Memorial Scholarship in 2021. Over the past year attending Marion Military Institute, I was Highly involved within the Corps of Cadets and excelled in Academics and Athletics. Throughout the year I was inducted into Phi Theta Kappa and Mu Alpha Theta Honor Society for my academic accomplishments. I served as a Resilience Officer, Company Guide, Company Executive officer, Color guard, and honor guard member. At the end of my time at MMI, I was awarded the Navy NPP Scholarship to the Illinois Institute of Technology, in Chicago. As I prepare for this upcoming fall 2022 semester, I would like to thank all the members and contributors of the Pensacola Navy League that help me get to where I am today. Currently, I am entering my first year at IIT as an Aerospace Engineering Major. I am in the process of joining 6 athletic and STEM-related clubs and look forward to taking on billets in the NROTC program.

To begin with, I would like to thank CAPT AJ Gallardo and CAPT Dan McCort for reaching out to me about the opportunity and providing guidance over the years. My family and I greatly appreciate the support that the Navy League has provided. This aid has supported my family and provided me the opportunity to focus more on classes and furthering my educational opportunities. Over the past year, I have gained experience and knowledge that I could not have received anywhere else. I am grateful for the Russell D. Stewart Memorial Scholarship and the members of the Navy League that have helped me achieve these important milestones. While I still have many milestones to reach in becoming a Naval Aviator, I will remember the example and expectations that the Navy League has set along my journey. Thank you again for all your support.

Very Respectfully,
MIDN 4/C David A. Lamb

SUMMER social

The Summer Social networking event and membership drive was held August 18th. Hosted by the Pensacola Navy League with support from the Marine Corps League of Pensacola, this year's event was well attended with more than 250 guests while the Navy League garnered several new members.

Held in beautiful Seville Quarter's Phineas Phoggs, guests enjoyed live music, hors d'oeuvres and beverages. The program opened with Master of Ceremonies RADM Don Quinn, USN (Ret) welcoming this year's guests. The Sea Cadets presented the colors. In true Tailhook tradition, RADM Quinn led the audience in an acapella version of the National Anthem. Following presentations by the Marine Corps League and the Pensacola Navy League, RADM Quinn introduced the featured guest, CAPT Chris G. Bryant, USN, Commanding Officer of the Center for Information Warfare Training (CIWT) at Corry Station. Corry Station is recognized as the "cradle of Navy cyber" and holds five commands critical to the nation's security: Center for Information Warfare Training, Information Warfare Training Command Corry Station, Navy Information Operations Command Pensacola, Department of Homeland Security, and the U.S. Army 350th Civil Air Command. CAPT Bryant gave a PowerPoint presentation on the incredible things happening at CIWT.

The Sea Cadet's Independence Squadron held a raffle to raise funds for the Squadron.

Sadly, their headquarters on NAS Pensacola was burglarized late last year. The Sea Cadets are a primary mission of the Navy League. We are proud to announce the squadron raised over \$900.00 at the event, which will help them replace and purchase new equipment and uniforms.

Douglas A. Munro Inspirational Leadership Award

The Douglas A. Munro Inspirational Leadership Award recognizes a Coast Guard enlisted member who has demonstrated outstanding leadership. The winner of the award receives an automatic merit promotion. The award is presented in partnership with the Navy League.

The winner of the 2021 Douglas A. Munro Inspirational Leadership Award goes to Petty Officer Third Class Bryan L. Beck, machinery technician, Coast Guard Cutter Dauntless

Petty Officer Third Class Bryan Beck was nominated by CDR Ryan Devlin, Commanding Officer, USCGC DAUNTLESS (WMEC 624). Here is what CDR Devlin had to say to about this amazing young man:

Petty Officer Third Class Bryan Beck led a team of junior petty officers and non-rated members through an emergency turbo charger change on the number one main diesel engine. Working through the night during a port call, Beck's technical ability and

can-do attitude was key in replacing the 1,500-pound turbo.

Following a catastrophe generator casualty in April 2020, Beck rallied the crew to remove and replace the generator set without the support of a local maintenance augmentation team (MAT) in Pensacola, FL. Beck spearheaded the project using ship's force, saving the Coast Guard over \$10,000 incomparable commercial cost and keeping Dauntless "Safe to Sail."

Beck consistently provides hands-on training to all newly reported members, as well as facilitates preboards to ensure maximum support throughout the qualification process. Beck's dedication to others directly contributed to multiple members receiving watch standing qualifications as well as other necessary underway, cutter-specific qualifications.

Beck possesses the ability to create and maintain a positive culture where the differences of all members are respected, so that all could achieve their full potential and maximize their contributions to Coast Guard missions. Additionally, Beck enthusiastically serves as Dauntless' command appointed lay leader, leading divine services underway since May 2019. He has acted with strategic intent to ensure optimization of resources, influenced the success of major operations or programs, and achieved operational excellence.

Outside of work, Beck is active with his local church mentoring high school and middle school age students. Additionally, his church involvement has given him the opportunity to provide positive guidance and be a role model for at-risk youth through weekly gatherings and three recent weekend retreats.

Petty Officer Third Class Beck was invited, along with a guest, to receive his award at the National Navy League Convention held June 10th in Orlando, FL.

Congratulations PO Beck!
